

Volunteer Officer Report February 2020

Jacob Ford – LGBT+ Officer

What has been worked on in the past month?

Looking ahead, we are working on a Pen-Pal system for international LGBT+ students coming to Lincoln to allow them to speak to LGBT+ Campaigns members prior to joining to help with integration into the community. We have also been working with the University to host more public lectures around LGBT+ History from LGBT+ researchers which include representation and inclusivity.

Successes from the past month and any Reps Wins

With LGBT+ History Month coming to an end, we have had many successes. From our Representation Panel Discussion Event, to three public lectures, we have seen many students engage with our work and get involved. We have launched our Pronoun Badges for all students as a way of expressing identity and support

Plans for next month

We are looking forward to working more on our Pen-Pal system by working with Student Leaders and international students.
