

Volunteer Officer Report February 2020

Kyle Murfet – School Rep – Department of Accountancy, Finance & Economics

What has been worked on in the past month?

Over the past month I have co-chaired the committee meetings for both economics and accountancy & finance, which have provided a golden opportunity for students and staff to have discussions with each other directly about any outstanding issues. I also compiled the PAR Report and gave announcements about NSS

Successes from the past month and any Reps Wins

- dialogue between students and staff about their courses and experiences
- NSS promoted

Plans for next month

During the coming month I intend on continuing my support of students in the department, whilst also helping its surrounding societies
