

Volunteer Officer Report December 2019

Harry Margaron – Sports Officer

What has been worked on in the past month?

Led the December Sports Hub at the Drill hall which was successful. I have continued my usual responsibilities as sports officer. I have supported and promoted other sports teams as well as taking part and promoting the 100 minute matches in memory of Grace Milane.

Successes from the past month and any Reps Wins

The SU Colour Fun run has been approved to go ahead in the New Year, I just need to put a route together. As well as this it has been lovely seeing the sports teams perform well in competitions and seeing so many teams take part in the 100 minute matches. So much money has been raised through this and through other events such as Movember.

Plans for next month

I need to make sure the route is put together for the sports run and supporting the VP Activities in aiming to achieve longer gym hours and sports hall hours at the Sports Centre. I would love to see if we can organize a pancake race as well as I suggested it earlier this year and would love to make it a reality.
