

## **Volunteer Officer Report January 2020**

Olly Bramhill – School of Film & Media Rep

### **What has been worked on in the past month?**

A cross course screening is being arranged for students from Film and TV and Media Studies (across year groups) to view each other's work.

Arrangements for the displaying of student content on the televisions in Alfred Tennyson are in progress.

Increased communication between myself and course reps.

Currently only a handful of reps are engaging with myself and each other through any of the designated channels of communication. I am concerned that reps aren't fulfilling the roles they were elected to carry out by their peers. Possibly there are no issues on current courses, which would be great. If this is the case I still need to hear about what a particular course or module is doing right as it could be something transferable across the School.

### **Successes from the past month and any Reps Wins**

Successes seem few and far between. Unfortunately only a handful of reps have been contacting me.

### **Plans for next month**

Complete arrangements for the display of student content in the Media Building.

Student cross-course screening arranged.

Communication made more frequent between myself and the reps.
