What has been worked on in the past month?	<p>In the past month I have had meetings with the VP welfare and community as well as the VP activities on teams about improving the training provided for sports and societies surrounding disabilities to help them understand and include people with disabilities as best they can.</p> <p>In the past month I have also attended the all student members meeting and helped to represent disabled students and their views on the current situation with online learning.</p>
Successes from the past month and any Reps Wins	<p>A few months ago, the VP welfare and community and I did an accessibility walk around of campus and its buildings to see just how accessible everything was, this included hearing loops in seminar rooms, disabled toilets and reception desks. This information including feedback from students was included in an accessibility report that will shortly be sent to the university.</p> <p>After being nominated I have won volunteer officer of the year in the swanny awards, which is amazing. I have also been nominated for a number of student's union awards which is really incredible, and I am honoured.</p> <p>I would like to thank everyone who nominated me for a swanny and everyone who has put me forward for a student's union award.</p>
