What has been worked on in the past month?	The past month has been very quiet as students have been getting ready to go home for Christmas and finish the year online. I have spent my time catching up with heads of school, head of the college and directors of learning to ensure students are okay making the move online, are coping with assessment and life in general.
Successes from the past month and any Reps Wins	Successes from the past month include getting through nearly a full semester! Everyone has coped so well since coming back in the current circumstances, and our one community couldn't be any better! Heres to next year!
Plans for next month	Plans for the next month include taking the campaign based around creative showcase off the ground, and make students aware what is available to them to boost their employability.
