What has been worked on in the past month?	In the past month I have been making sure everything is going smoothly. I have been in frequent contact with the School Reps and we even had our first teams call! Timetabling was an issue at the start of term but it is all okay and fixed now! Apart from that, it has been a good month!
Successes from the past month and any Reps Wins	Successes would include a really positive meeting with the Director of Education to talk about committees and collaborating on projects together! Another success would be finding the Creative Showcase. One of the reps showed me this as a way to help out the campaign I plan to do.
Plans for next month	Plans for the next month include working with the reps to boost the visibility of Creative Showcase. I also plan to sit down and think of basing my campaign around the Showcase, with help from the Director of Education. I can't wait to get started!
