

---

<b>Full Name</b>	Sophie Leggott
<b>Year of Study</b>	3
<b>What has been worked on in the past month?</b>	The past month has seen the successful set up of the mentor scheme. Launched at the start of October we have successfully trained up and assigned mentors to tutor groups within the School of Geography. Initial meetings have taken place and there has been positive feedback so far amongst those who are participating in the scheme. It has helped provide the first years with another contact.
<b>Successes from the past month and any Reps Wins</b>	The rep newsletter had its debut on the 13th of October. This should enable smoother and clearer communication throughout the school between reps, staff and students.
<b>Plans for next month</b>	Over the next month, we will be electing and welcoming the first-year reps as well as any post-grad reps. This will contribute to our first full meeting. I will also continue to gather feedback on the mentor scheme and continue to drive it forward ensuring all materials are available to both mentors and mentees.
