

Volunteer Officer Report February 2020

Talha Anwar – School Rep – Department of Strategy & Enterprise

What has been worked on in the past month?

Get to know my all course reps. Main focus was to help new students.
Met head of department, get to know some information on merging of people and global org and strategy and enterprise

Successes from the past month and any Reps Wins

Met few international students and tried my best to solve their academic and other issues.

Plans for next month

Main focus is on school action day and would like to discuss about changes due to merger
