
Full Name	Alex Saunders
Year of Study	2
What has been worked on in the past month?	With the term officially starting, many things have been worked on this month. I have met students from all years of undergrad. I have also had regular meetings with the head of school, and the director of the college. During welcome week, I spoke at the welcome meeting for all first years to the school of film and media and helped to advertise the course rep elections that are happening in the coming weeks.
Successes from the past month and any Reps Wins	A success was that I was able to report issues with the timetabling within the department that have now been fixed.
Plans for next month	For a successful course rep election, I will work with my school to promote this. I will also try and increase the engagement with the other reps.
