

Full Name	Paige Rymer
Year of Study	3
Rep Role	School Rep – English and Journalism
What has been worked on in the past month?	The School Instagram account has posts of all the student reps so everybody knows who they're student reps are. Feedback and issues have been resolved and meetings have been attended.
Successes from the past month and any Reps Wins	A success would be having the Instagram account up and running with profiles for all the reps posted.
Plans for next month	I plan on posting more regularly on the Instagram and showcasing some work from the students within the school.
