Successes from the past month and any Reps Wins

Successes from the past month include the growing number of people joining the BAME campaign's group and the growth of the BAME committee! With the exciting new addition of a Publicity Lead.

Plans for next month

Next month the BAME campaign's group hope to form more collaborations with Student Lead Project's such as Lincoln Marrow and look further into the possibilities of a campaign on educating the student population on the disparity between BAME people and giving blood.
