<b>What has been worked on in the past month?</b>	<p>In the past month, I have had meetings with my committee to discuss concerns about attendance with online lectures. We have collected feedback from students about issues with accessibility with online lectures.</p> <p>I have attended a teaching and learning experience panel which allows me to see resources lecturers and other university staff are planning on using and help them adapt them to make them accessible.</p> <p>Started to plan the spoons campaign again, shared this with the committee and they had some nice ideas and suggestions to add.</p> <p>During the committee meeting, we also planned further the quiz/ social meeting on teams where members of the disability's campaigns group can be invited.</p>
<b>Successes from the past month and any Reps Wins</b>	<p>We welcomed our new committee member to the group for her first committee meeting, so we now have a full committee!!!</p> <p>The past month I have collected feedback from students about online teaching. I have been able to give this feedback to the student's union who have been able to provide answers and have been looking into any issues raised.</p>
<b>Plans for next month</b>	<p>I have been invited to do a video for the Students Union on the accessibility of the website and how to use the recite me tool to aid students in using this so this will happen in the next month.</p> <p>In the next month my committee and I will continue to plan our first 'social' quiz/meet via teams.</p> <p>Myself and my committee will also continue to provide support for students during this difficult time through email and social media.</p>
