Olly Bramhill – School of Film & Media Rep

What has been worked on in the past month?

The use of un-graded peer reviews as a way for students to get instant feedback and generate ideas. The inspiration for this was taken from my Media Studies Power, Media and Control.

The organisation of graded presentations and lectures on new content in modules. E.G. The placement of a graded presentation in week 6 of Visualizing the 21st century and new content being taught 3 weeks prior to deadlines in others.

Issues with Blackboard content were raised at the UG board meeting.

Audio Production students access to necessary software.

Creating a channel of communication between myself and course reps.

Getting access to slides prior to lectures of International.

Successes from the past month and any Reps Wins

CMP4 now includes an ungraded peer review.

Plans for next month
