
Full Name	Michael Barton
Year of Study	4
What has been worked on in the past month?	Following the outbreak of Covid-19 the main focus has been making sure all students are up to date with the school and university wide plans. This has meant checking up with my reps on whether or not each cohort has any major concerns/questions.
Successes from the past month and any Reps Wins	Due to social distancing no major events or rep run gatherings have been able to happen. This has led to a lot of students using "Microsoft teams" and the like to ensure the school keeps a certain level of normality and community.
Plans for next month	The plans are to ensure students are prepped for their remaining exam replacements, despite the unexpected changes.
