What has been worked on in the past month?	In this past month I've finalised the program I outlined in my KPIs to increase international participation in Academic Societies!
Successes from the past month and any Reps Wins	I've helped with several successful events run by societies, including being invited to give academic tips at a History Society event! I've also been working closely with the ISA officer to implement our plans for Academic Societies!
Plans for next month	Next month I hope to get the groundwork done for a Academic Society program of events to encourage greater participation from PG students, in a similar manner to the international scheme.
