

Full Name	Fiona Gillespie
Year of Study	3
What has been worked on in the past month?	5 new reps, plus 2 interested and on the way. Got those 2 new reps as sent out an introductory email to all history students to explain who I am and who the course reps are, kind of explained the system etc. Which brought a whole load new followers to the Facebook page
Successes from the past month and any Reps Wins	I started a Facebook page! Which has been really great! Ive been sharing some of the SU things as people often miss them if the don't follow etc, and ive been sending reminders for people the check their emails every time we get important info which has resulted in less questions for me!! Which is great obviously!
Plans for next month	Some negativity with students issues. I have closed my channels to only official channels i.e. Email and my page. Plan to activley work with the staff and my student team to make sure these issues arent occuring frequently and make sure feedback is kept constuctive rather than critical.
