

## **Volunteer Officer Report February 2020**

Eddie Foster – Law School Rep

### **What has been worked on in the past month?**

During the past month:

- NSS promotion has started
- Or second subject committee which saw another great turnout of reps
- SRG meeting to discuss issues within different colleges

### **Successes from the past month and any Reps Wins**

This month we have seen the resolution of an issue that has been in the works for 2 years - both myself and the course reps are very pleased that this feedback has been taken on board and a module has been changed back to the way it used to be. The second year reps deserve the spotlight for this.

### **Plans for next month**

Next month will see continued work to promote the NSS and begin groundwork planning for the school action day.
