What has been worked on in the past month?	<p>The past month, I have been working on keeping in constant communication with the students and members of staff to ensure any messages that need to be relayed are done so.</p> <p>With the current situation, it's understandable that students are worried and stressed, especially with an upcoming exam. I have tried to keep active with my messages to ensure any student feeling worried or have any questions will be directed to the right persons.</p>
Successes from the past month and any Reps Wins	<p>I have been able to resolve a few issues and answer questions raised by students regarding the exams we have coming up. As not everything has been fully decided on, for example, dates of the exam, it has been a challenge to give students direct and immediate answers. However, as we are all together in this situation, it was great to see everyone supporting and encouraging each other to keep motivation and high-spirits up.</p>
Plans for next month	<p>I will continue to be in contact with the members of staff to aid students and help answer questions. As well as, prepare for my exam! :)</p>
