

## **Volunteer Officer Report November 2019**

Ben Cattle – School of History & Heritage Rep

### **What has been worked on in the past month?**

The subject committees for the school have happened which went well. From that, we're now trying to consider how the school can be more involved in LGBT and Black history month, particularly in relation to students. We are also actively looking for feedback on the issue of anonymous marking.

### **Successes from the past month and any Reps Wins**

We've nearly filled up the rep positions which is useful.

### **Plans for next month**

There have been some concerns surrounding feedback and classroom culture that require further discussion. We also need to push for more permanent lecturers for the Classics course to ensure its continued success.
