

<b>Full Name</b>	Charles Wilson
<b>Year of Study</b>	3
<b>Rep Role</b>	School Rep - Education
<b>What has been worked on in the past month?</b>	<p>This month we have finished setting up our student EDI committee and I chaired our first meeting. We have been able to collate some great feedback and materials relating to decolonising the curriculum and I am producing a report to deliver to staff and students to summarise the changes being made.</p> <p>One of reps has also been fantastic in driving forward the creation of the academic education society and we have collectively produced a survey to get students engaged with the up and coming new society.</p>
<b>Successes from the past month and any Reps Wins</b>	<p>Our second year BA Education rep has taken the lead on the new society and has been fantastic! They have produced the survey, arranged the meetings and engaged other staff and students to be involved.</p>
<b>Plans for next month</b>	<p>The application for the new committee will be submitted and we aim to have it up and running ASAP. The student EDI committee will continue to tackle issues within the school and I plan to increase the size and impact the committee over the new year. The school has made great efforts to increase the social element of university and I want to ensure these are working well and see that all students are feeling supported during the difficult holiday period</p>
