

Volunteer Officer Report December 2019

Kyle Murfet – School Rep – Department of Accountancy, Finance & Economics

What has been worked on in the past month?

Over this past month I have been attempting to consistently support my fellow students during exam season

Successes from the past month and any Reps Wins

Students have felt comfortable with their exams and assignments

Plans for next month

To remedy any issues that may arise with the beginning of new modules which will start in January, and of course to continue supporting students as best I can
