What has been worked on in the past month?	Further developing the mentor structure, ensuring monthly meetings to see what help and support is needed. Starting to develop the second newsletter for release next month.
Successes from the past month and any Reps Wins	We had the first year elections however only one rep elected. Despite this, we still had great input into the rep meeting and look forward to getting more on board soon.
Plans for next month	Get more first-year reps. Send out the second lot of the newsletter and continue to support the mentoring programme, looking at providing a big session for the whole year.
