<b>What has been worked on in the past month?</b>	This month I met with the School's Director of Teaching and Learning multiple times to discuss issues regarding distance learning and communication. Passing on all information to students.
<b>Successes from the past month and any Reps Wins</b>	Managed to keep students updated on when results will be out and the status of gradings. Altered the Advanced Topics of Physics module again due to distance learning constraints.
<b>Plans for next month</b>	Planning on creating a virtual event in lieu of our actual end of year event being cancelled. More information to follow.
