

Volunteer Officer Report October 2019

Fiona Hutchinson

What has been worked on in the past month?

Discussion of NSS feedback and action plan: assignment of priority to the 25 points raised, action plan drafted for the high priority points together with MPharm module lead.

Successes from the past month and any Reps Wins

All assignments were released at the beginning of the semester, after several incidents of them being released late in the past

Plans for next month

First SSLC coming up.
