

Volunteer Officer Report October 2019

Bailey Marchant

What has been worked on in the past month?

In the last month the new Environmental Officer was elected and the new Communications Lead.

Successes from the past month and any Reps Wins

We have decided to team up with community to help with Move Out May.

Plans for next month

We are going to organise an event for all environment-related societies and interested students across campus at which we will present everything going on on-campus with regards to pro-environmental activities. We are also taking part in the T-shirt campaign to raise awareness about the campaigns network and will be involved with the Lincoln together initiative.
