### **What has been worked on in the past month?**

In the past month I've worked very closely with Course Reps to get several working groups off the ground, with the aim of really improving the student experience in my school!

### **Successes from the past month and any Reps Wins**

The past month saw our first Subject Committee of the year, which went really well!

### **Plans for next month**

December will see the planning for the School Action Day rapidly gather pace, as well as student feedback to improvements with the courses within my school's very structure.
