<b>What has been worked on in the past month?</b>	In the past month the Campaign's network have been transitioning into online and virtual communications as a result of Covid-19 and social distancing policies, while also helping to ensure staff and students are managing as well as they can under these circumstances.
<b>Successes from the past month and any Reps Wins</b>	Unfortunately with little face to face campaigning going on due to Covid-19, in the past month a Rep Win is keeping in communication with Campaign's network colleagues and University of Lincoln students and always having an open channel of communication for staff and students to contact me via.
<b>Plans for next month</b>	Plans for next month include preparing for the Campaign's network handover for the new academic year.
