What has been worked on in the past month?	<p>The past month, I have attended the first Senior Rep Group of the academic year to discuss any issues which may have arisen within the first week of the academic year.</p> <p>A new Law Student Rep Meeting has been set up weekly for reps to give feedback more frequently to Law School Staff on how the year is going for students.</p> <p>Students have expressed interest in course rep elections and have been reaching out to me to discuss these further.</p> <p>I have tried to be on hand for all new and returning students to offer help and advice where I can.</p>
Successes from the past month and any Reps Wins	<p>Reps gave valuable feedback during the first Law Student Rep Meeting, which will be running weekly with all reps and law school staff.</p> <p>A number of students reached out on more information on how to become reps, which is great to have more students interested in representing their course. As a result of the welcome video I made for new law students, I received emails from interested students wanting to know more about course rep positions. Course rep elections are currently ongoing, ending Friday 23rd October, so I am looking forward to welcoming new reps into their roles.</p>
Plans for next month	<p>Plans for next month include engaging with the Law Student Rep Meetings and hopefully introducing some new reps to these meetings after the course rep elections conclude on Friday 23rd October.</p>
