What has been worked on in the past month?	The past month we have chosen our charities to work with and we have been trying to change the nature of the events we hold due to further covid-19 restrictions being put in place.
Successes from the past month and any Reps Wins	We are very happy that we have chosen the charities and we have had a lot of interest from students about getting involved.
Plans for next month	The next month will be busy as we will be formalising our relationship with the charities we have chosen once approval has been given. Then we will be holding our first virtual information session and participating in the virtual fayres.
