What has been worked on in the past month?	<p>In the past month, I have had meetings with wellbeing and the VP Education to discuss the university's mask policy and how we can be inclusive of deaf or hard of hearing students whilst keeping everyone on campus safe.</p> <p>I have also met with the VP wellbeing and community to discuss the return to campus, including how one-way systems work and some of the concerns students have raised.</p> <p>Joined with the invisible disabilities lead we had a meeting with the head of estates to discuss the accessibility of campus with all the Covid measures that have been put in place. This meeting addressed a lot of concerns we had. We also got a little insight into where benches are going to be placed eventually on campus.</p> <p>I have had meetings with my committee to discuss concerns about being on campus, face masks, attendance, and how online lectures are going.</p>
Successes from the past month and any Reps Wins	<p>In the past month, I have collected feedback from students. With the return to campus and the blended learning of face to face and online teaching, there have been some concerns and questions raised by students. I have been able to give this feedback to the student's union who have been able to provide answers to the question's students had.</p>
Plans for next month	<p>In the next month, I shall be having a meeting to discuss improving the accessibility of online teaching materials with the Students union during this meeting I shall use feedback from students that I have received.</p> <p>In the next month, I will have had meetings with the university and the student's union about sunflower lanyards and hope to be able to launch very soon.</p> <p>In the next month, my committee and I will start to plan our first campaign to go through social media, which I am very excited about!</p> <p>My committee and I will also continue to provide support for students during this difficult time through email and social media.</p>
