

## **Volunteer Officer Report October 2019**

Samantha Ann Rose Brinded

### **What has been worked on in the past month?**

Having only been in the role for a couple of weeks, I have mainly been getting used to the role and introducing myself to others.

### **Successes from the past month and any Reps Wins**

I've not been made aware of any but will work on finding out for next time.

### **Plans for next month**

Open up more lines of communications and keep regular contact between me and the reps, including planning an informal meet between me and the art school reps.

Look further into how I can assist the college of arts, especially it's reps in achieving more successes and wins.
