

Volunteer Officer Report October 2019

Callum Robert Inkster

What has been worked on in the past month?

This month I've worked on making sure I had a good group of reps elected. Once they were trained holding a meeting with them to get to know them as well as hear any issues before the Subject Committee Meeting.

I brought up the broken guillotine to staff members, we had the workshop team look at it and determine we need a new one.

I have drawn up plans for a redesign of our current studio layout.

Successes from the past month and any Reps Wins

I've successfully created plans that the heads of school, programme leader and reps agree with.

Subject Committee Meeting went well.

We have bought a new guillotine just waiting for it to get delivered.

Plans for next month

Hold a survey for all architecture, level 1, 2 and 3, students in order to receive feedback on the studio redesign before going ahead and altering it.
