
Full Name	Katie Sian Louise Smith
Year of Study	2
What has been worked on in the past month?	Not much has happened in the past month as everything has more or less calmed down, and students are getting use to working from home. I have made sure that the contact is still there between us, and ensuring that I'm still here to help.
Successes from the past month and any Reps Wins	There hasn't been much successes, only that our exam is set in place, and the students feel more clear and comfortable what is happening with the rest of the academic year.
Plans for next month	I will keep on contact with students and lecturers to ensure everything is going okay and running smoothly.
