Harry Margaron – Sports Officer

What has been worked on in the past month?

It's been a very busy month for myself but just ensuring that everything has been ticking over smoothly and getting involved with all the key ideas that the SU are involved in such as the ASM Meeting and the NUS Referendum debate. I also has a key role in the organisation the Team photo day through been the ' in between person, between societies and the TakeThatPhoto Team. I have also been pushing and promoting key charitable events such as the Alzheimer's concert and the 100 minutes of activity proposed by Hockey. I have also been in conversation in sports teams about organizing TOUR for next April in Croatia..

Successes from the past month and any Reps Wins

I led my first hub meeting which I got positive comments on in my delivery which was a really confidence boost. As a University we have seen some excellent wins in a variety of different sports and societies.

Plans for next month

The plan remains to keep things steady with all sports team and trying to make sure engagement for all sports teams remains consistent. Earlier on in the year I was in talks to organize an SU Fun Run so if this could be organised it would be an amazing success all round.
