Alexandra Lily Frances Grace Marchant

### **What has been worked on in the past month?**

I have been successful in some academic societies being more open to what they are doing on social media

### **Successes from the past month and any Reps Wins**

Since starting the role this month I have helped to organise 8 out of 10 swans and run the first night which was hugely successful! And getting academic societies to shout about what they're doing

### **Plans for next month**

Get more people to start academic societies!
