
Full Name	Michael Barton
Year of Study	4
What has been worked on in the past month?	Main thing that's been worked on is trying to increase participation of NSS. We were also working on the first Engineering ball, which due to Covid-19 looks to be cancelled
Successes from the past month and any Reps Wins	Successfully moved all teaching online.
Plans for next month	Continuing to ensure students get the most out of their degree despite access to the computer labs, and also helping to support any students who are having difficulties with the new changes.
