
Full Name	Rhiannon James
Year of Study	2
What has been worked on in the past month?	I have been working on my KPI plan for the year and how to implement these plans within Psychology. I will be attending a meeting with the Psychology Society and Student Engagement Lead. This will be for us to plan how to make learning online inclusive and engaging, as well as the possibility of holding events online.
Successes from the past month and any Reps Wins	It was fantastic to be a part of the Neurodiversity conference, I am looking forward to applying some of this to Psychology and increasing awareness of Neurodiversity. Unfortunately, there are still no Reps for Psychology.
Plans for next month	I am looking forward to welcoming new students for the new academic year, even if it is online, while working with existing students and Reps, when they are elected! I will be working on my KPI plans, as well as continuing to work with the Student Engagement Lead and College Officer.
