

Volunteer Officer Report January 2020

Jake Muff – School of Maths & Physics Rep

What has been worked on in the past month?

School Action day and this semester's assignments.

Successes from the past month and any Reps Wins

School Action day was a great success with an amazing turnout and lots of great feedback.

Plans for next month

First subject committee meeting of the semester next week where I hope to resolve any issues that come up in terms of assignments. Organise the engagement events for this semester.
