

Volunteer Officer Report October 2019

James Ryan Bayliss

What has been worked on in the past month?

Working to gain a full team of reps throughout each school. Also helping the new school reps with committee meetings.

Successes from the past month and any Reps Wins

Had a successful college education and student committee.

Plans for next month

Aim to meet academic societies to see how they operate and see if college can offer any support. Also look for best practise to help struggling academic societies.
