

Volunteer Officer Report March 2019

Jacob Ford – LGBT + Officer

What has been worked on in the past month?

We're looking ahead to Pride 2019 and freshers fair, and how we can continue representing LGBT+ students and raising awareness of LGBT+ social issues every month.

Successes from the past month and any Reps Wins

In February we had LGBT+ History Month, where we celebrated with a celebrity poster trail, movie nights, coffee mornings and a big closing event with student performances and guest speakers! We've managed to raise over £100 which is being donated to trans charities in the UK.

Plans for next month

We've been working on a charity clothes donation stall, an awareness stall for Trans Day Of Visibility and our trans march on Saturday 13th April 2019.
