

School Rep February report.

This month I have chase up course reps to complete their training. I attended the Social work/Health and Social care subject committee meeting. I met with a first-year rep to support them with completing the training. Had an informal meeting with three of the first-year rep. Had a meeting with the school engagement champion and met the health and social care champion to discuss update on student activities as well as coming up with the idea of a course newsletter after another meeting with the hsc and social work champions we support the idea of a school one which would incorporate all courses available at the school. We discuss at length about a society/community and set up an information day for the 21st March for student to come along and find out more. I have continued to look at getting pedometers for my walking challenge. I had other meeting with staff to discuss various issues. Still working on the logistic of having a school hoodie need to overcome who will oversee collecting the money.

Plans for March

Meeting with divisional rep

School Hoodies

Setting up a successful society.
