

University of Lincoln Students' Union Volunteer Officer Report

30/12/2017

School of Geography Rep

What has been worked on in the past month:

- Feedback and improvements on the first year's modules.
- Communications between reps and students.
- Opportunities for students.

Successes from the past month:

- A blackboard community has been created for students and reps to communicate. (Not Launched yet)
- Improvements to all modules in structure, timings and content. E.g (3-hour lab sessions)
- Establishment of a Geographical Society.
- Logo Competition for Students.
- Over 80% of students filled out Mod Evaluations.
- Valuable feedback from all students and reps with overall good satisfaction.

Plans for next month:

- Further work on the Blackboard Site.
- More improvements to first year modules.
- More academic and trip opportunity planning.
- Engage more actively with staff running course to make further improvements.
