

## Volunteer Officer Report February 2019

Rhys Davies – School of Social and Political Science Rep

What has been worked on in the past month?

In February, the school held their action day. We looked into various issues such as employability, what is missing from degrees, internationalization and communication. Great feedback was achieved from this day.

We have had two more issues come through on coursemate and are working on getting these resolved. We also had one issue come through outside concerning the results from an assessment and this is being looked into by a member of staff.

Successes from the past month and any Reps Wins

Great debate held by the SocPol society - even though turnout was lower than expected, an informative debate was held, well done to all involved.

Plans for next month

Looking forward to completing more coursemate issues!
