

Volunteer Officer Report February 2019

Michelle Wiggins – School of Health & Social Care Rep

What has been worked on in the past month?

Getting students to come together as well as trying to encourage others to take over the society committee. I have spent most of the month away due to family commitments

Successes from the past month and any Reps Wins

Putting reps in charge of specific modules help clear up an issue of students going to all of the reps and they all getting in touch with the program lead only one did and issue solve quickly

Plans for next month

Try a promote school rep so someone might apply for the role next semester. Still trying for unity with the whole school
