

University of Lincoln Students' Union Volunteer Officer Report

02/4/18

SCHOOL REP OF SCHOOL OF FINE AND PERFORMING ARTS

What has been worked on in the past month:

Within the past month I have focused on helping the LGBTQ+ community become more included, for example, letting transgender people have their name changed on the register without having to change their legal name.

Successes from the past month:

The amazing talent and hard work from the students this month. With music having their level three music festivals and the dance community showing such solidarity with the passing of one of the students.

Plans for next month:

Continue the meetings with course reps and Karen Savage. Attend meetings within the colleges that need my assistance. Get all course reps throughout all colleges and continue to try and help the issues that arise and promote the students good work. Get all course reps trained and elected.
