

University of Lincoln Students' Union Volunteer Officer Report

DATE: February 2018

NAME OF ROLE: School Rep for Marketing

What has been worked on in the past month:

This month started off with having a meeting with Tommy to discuss some complaints that had been given by students with regards to the marking from some modules, from there, we decided to not take this further. Myself and Rici met with Paula to discuss what we had been up to before the 1st and 2nd year rep social in the DCB atrium which turned out to be a success. We also met with Abi Hunt to discuss the agenda for the subject committee meetings which unfortunately were cancelled due to the snow.

Successes from the past month and Rep Wins:

The biggest rep win is one of the course reps, Michael, being elected for College Officer for next year! I have also met with someone who is interested in filling the position of Marketing rep for next year.

Plans for next month:

Next month I plan to continue with my objective of improving communication and discussing this with course reps to gather their ideas on how this can be done too. I also plan to create a link with the academic societies with the help of the course reps.
