

## Volunteer Officer Report March 2019

James Bayliss – College of Science Officer

What has been worked on in the past month?

Over the last month I have been looking to fill the remaining school rep positions. Also the list of academic society presidents have been passed onto Libby.

Successes from the past month and any Reps Wins

I have been elected for college officer for another year along with Tom, Michael and Bart as school reps. Also only 2 more positions need to be filled in the school rep team.

Plans for next month

To help the academic societies with their handovers. Chase Libby for a meeting with the academic society presidents. Help with any Mod Val problems that may arise from the schools.
