

## Volunteer Officer Report November 2018

William Smith – Societies Officer

What has been worked on in the past month?

In this past month I have assisted the the Raise and Give Officer as well as the Vice President of Welfare and Community in RAG Week. We did a charity fundraiser at one of the Nightclubs here in Lincoln, standing with buckets and asking for change.

Alongside the Vice President of Activities and the Sports Officer this month we had BUCS This Girl Can, helping raise awareness and the profile of Female sports and Females in sport. Helping out asking people why they play sports and adding it to a giant chalkboard.

This month also saw more We Are Lincoln Lounges being filmed, with various challenges such as a blindfolded taste test and various guests such as the Women in Work society.

Successes from the past month and any Reps Wins

Rag Jam hosted by the Game Development society was massively successful, raising well over £650 for Rag Week. The Assassins Society took over the Waterside Shopping Center for a 2 day Nerf War and also had an interview on BBC Radio Lincolnshire.

Plans for next month

Next month sees the third round of 8 out of 10 swans, Societies And Academic Societies hub, as well as Activities hubs. More Episodes of the We are Lincoln Lounge and the festive holidays.
