

Volunteer Officer Report November 2018

Rhianne Sterling-Morris – BAME Officer

What has been worked on in the past month?

I have been working on a questionnaire to see if there is need for a change of policy I have in mind. Our universities regulations say that you are unable to have a authorised absence for cultural reasons which I do not believe is fair. I'm hoping this questionnaire that will be sent out will help know if this is something that the student body wants changing. On day of submission i will be heading down to London for the NUS winter black students conference so I can give you all more information about that in the meeting.

Successes from the past month and any Reps Wins

People are starting to recognise who I am and what the BAME position is which is great. I now have a communications officer Rayne Gordon who is amazing and has a lot of good ideas.

Plans for next month

Planning on revamping and redoing the 'Know your Rights' campaign from last year and hoping to implement that during refreshers fayre
